

**Flowchart Depicting Student Learner Progress through a Learning Alternative to Achieve Learner Goals/High School Education**

**STUDENT ENROLLS IN ALTERNATIVE LEARNING ENVIRONMENT**

Appropriate appraisal is given to determine instructional level of learner.

Identify achievable learner goals for program year related to the following outcomes:  
Employability/  
Postsecondary Education or Training/  
High School Diploma

Administer Multiple Assessment(s):  
Academics  
Personal/Social  
Career/Technical  
Determine assessment level and content area based on learner goals and appraisal results.

Develop a Personalized Plan based on learner goal(s) and assessment results. (Multi-agency Comprehensive Support)

Staff designs curriculum instruction and support using research-based information and linked to competencies in the learners' personalized plans.

Administer appropriate Post-Assessment(s) based on district and school selections

Is there a learning gain? (movement within or completion of an Educational Functioning Level)

Learner needs additional personal support/ instructional intervention in order to meet goals and attain desired measurable outcome. Reassess instructional plan based on Post-Assessment results.

Does learning gain result in measurable outcome related to:  
1. Personal goals  
2. Employment  
3. Postsecondary Education or Training, or  
4. High School Diploma

Does measurable outcome meet learner's goals upon entry into program?

**Learner exits program with measurable outcome that meets stated goal upon entry into Alternative Program**

- Learner attained one or more of the following measurable outcomes related to stated goals:**
- Improved/maintained academic development/course completion
  - Improved career potential
  - Improved personal/social/emotional behavioral development
  - Entered competitive employment
  - Meet transition goals
  - Entered post-secondary career technical training
  - Entered Armed Services
  - Credential Attainment
  - Earned the Specialized Course Completion Credential
  - High School Diploma
  - Transferred/Earned GED Diploma
  - Transferred/Earned Adult High School Diploma
  - Transferred/Earned Basic Literacy Certificate
