International Notes

Debates about improving student performance rarely take into consideration an important perspective of students, that is, how much they value an education and whether they see education as a path to success.

http://www.educationsector.org/analysis/analysis_show.htm?doc_id=484263

A British secondary school found that shortening the summer holiday to four weeks and offering four other two-week breaks throughout the year greatly improved test scores.

<http://education.independent.co.uk/news/article2611741.ece>

Students With Disabilities

Four-fifths of the states are falling short of federal requirements for educating students with disabilities, the Education Department says.

<http://www.signonsandiego.com/news/education/20070620-1439-specialedlaw.html>

Elementary students who could barely read are outperforming some of their peers after going through the Reading Achievement Program, a model to develop literacy in children with learning disabilities, limited English proficiency and other challenges.

Effective Strategies

After-school Opportunities

How Did You Spend Your Summer Vacation? What Public Policies Do (and Don't Do) To Support Summer Learning Opportunities for All Youth.

<http://www.summerlearning.org/resourcesresearch/docs/HowDidYouSpendYourSummerVacation.pdf>

What is Evidence Based Practices? describes EBP for practitioners and provides valuable and easily accessible resources.

http://www.childtrends.org/Files//Child_Trends-2007_06_04_RB_EBP1.pdf

A 10-Step Guide to Adopting and Sustaining EBP in Out-of-School Time Programs provides program practitioners 10 concrete steps that programs can take to successfully adopt an evidence-based practice.

http://www.childtrends.org/Files//Child_Trends-2007_06_04_RB_EBP2.pdf

Early Literacy Development

Literacy Instruction in the Content Areas: Getting to the Core of Middle and High School Improvement indicate that students will need to develop the advanced literacy skills that are required to master more complex academic content. Only then can students be truly prepared for college, work, and citizenship.

<http://www.all4ed.org/publications/LiteracyContent/LitCon.pdf>

Language and Literacy Promotion in Early Childhood Settings: A Survey of Center-Based Practices to assess the extent to which early childhood educators engage children in literacy-building activities.
