Top Stories

Teen Voice 2010: Relationships That Matter to America's Teens details the findings of a new national study of 1,860 15-year-olds and strengthens a growing body of research that documents a persistent gap between what teens need and what we as a nation actually offer them.

Policy Updates

States that adopt national standards by August 2 win points in the Obama administration's Race to the Top competition for a share of the \$3.4 billion to be awarded in September.

<http://www.nytimes.com/2010/07/21/education/21standards.html?th&emc=th>

Students With Disabilities

During the USA National Games in Nebraska, leaders from education, business, government, sports, and media met to discuss a broader perspective on school and districtwide models of inclusion.

Effective Strategies

After-School Opportunities

This video will cause you to rethink the cause of the achievement gap and the role that out-of-school time, especially summer, plays in student achievement.
<http://www.youtube.com/watch?v=VEkIkdHwvso>

The cover story in *Time Magazine* focuses on summer learning loss.

Systemic Renewal

Washington Monthly is focusing on the dropout crisis, and this article examines the value of small schools and some of the research related to this.
<http://www.washingtonmonthly.com/features/2010/1007.toch.html>

In the view of the authors of *Learning From Leadership: Investigating the Links to Improved Student Learning*, education leadership makes its mark largely by strengthening a school's "professional community"—fostering an environment where teachers work together to improve classroom instruction.
<http://www.wallacefoundation.org/KnowledgeCenter/KnowledgeTopics/CurrentAreasofFocus/EducationLeadership/Documents/Learning-from-Leadership-Investigating-Links-Final-Report.pdf>

Alternative Schooling

A new report from MDRC finds that “small high schools of choice” in New York City increase students’ likelihood of earning credits, progressing through school, and graduating in four years with Regents diplomas.
<http://www.mdrc.org/publications/560/full.pdf>

Resources and Tools

The Forum on Child and Family Statistics' summary report, *America's Children in Brief: Key National Indicators of Well-Being*, provides this year's updates on the well-being of children and families in the United States across a range of domains.
http://childstats.gov/pdf/ac2010/ac_10.pdf

See how cutting the dropout rate in half in students of color subgroups in the nation's fifty largest cities—and the metropolitan areas that surround them—would benefit the nation's economy as a whole.
http://www.all4ed.org/files/NationalMSA_lebsoc.pdf

This *Research Brief* brings together findings from a variety of research resources, including rigorous program evaluations, to identify 10 actionable, feasible goals involving non-school factors that affect educational outcomes and can be addressed through out-of-school-time programs.
