

If considering OSS...

teamIPS

Has student been suspended previously? Did It help?

Has student previously demonstrated this or similar behavior?

Does student have a plan to prevent or replace targeted behavior?

If so, what support services have been used to promote positive behavior?

Does student have a current IEP, and if so, Is It implemented with fidelity?

Does student have age-appropriate social and problem-solving skills?

Has student's developmental stage and/or culture been considered?

Was anyone hurt or injured?

Would missing Instruction impact student's motivation and/or achievement?
