

PROFESSIONAL PUBLICATIONS AND RESOURCES

Discover new resources to increase your effectiveness! The National Dropout Prevention Center/Network publishes a variety of resources to assist educators and other practitioners concerned about our youth at risk. We are the largest publisher of information directly related to dropout prevention. Some examples of our resources are listed below. For more information contact the Center/Network or visit our Web site.

The quarterly *National Dropout Prevention Newsletter* and two biannual journals, *The Journal of At-Risk Issues* and *ENGAGE: The International Journal of Research and Practice on Student Engagement* (online) keep members up-to-date on current research and practice in the field.

The *Effective Strategies for School Improvement Series* includes research-based practitioner guidebooks based on the most effective approaches to dropout prevention.

The *Linking Learning With Life Series* is composed of service-learning guidebooks and videos on a wide variety of topics for youth, educators, and community leaders.

NATIONAL DROPOUT PREVENTION NETWORK

MEMBERSHIP PLAN

All members in the National Dropout Prevention Network (NDPN) have voting privileges at the annual Business Meeting and are eligible for election to the Board of Directors. The Board serves as the major advisory body guiding all NDPC/N policies and program activities.

All members are encouraged to participate in National Dropout Prevention Center/Network (NDPC/N) activities including: (1) authoring articles for NDPC/N publications, (2) developing resource materials or products jointly with NDPC/N staff, (3) consulting as team members on NDPC/N demonstration or evaluation projects, or (4) serving on NDPC/N committees or special interest group. Consortium memberships and additional corporate sponsorships will be quoted upon request.

Select the membership level that will provide the greatest value and benefits for you or your organization. Refer to the type of membership on the Membership Chart to determine the cost and benefits for each level. For example, the number of electronic participants, the amount of discounts on registration fees and publications, and program placements will vary with different levels of memberships. Memberships and journal subscriptions may also be processed online through our Web site or you may call us with questions or for assistance.
