NATIONAL DROPOUT PREVENTION NETWORK CONFERENCE

**Detroit Marriott at the Renaissance Center
October 2–5, 2016 Detroit, MI**

May 20, 2016

Dear Potential Conference Exhibitor,

The National Dropout Prevention Center/Network, in partnership with the Michigan Department of Education and Ford Motor Company Fund, is holding its 2016 Annual National Dropout Network Conference at the Detroit Marriott at the Renaissance Center, Detroit, MI, October 2 - 5, 2016. We expect this partnership will result in approximately 1,000 participants from the United States, plus several foreign countries, attending this conference. Some of the expected participants will be school board members, principals, and other decision makers who are actively looking for effective programs to take back to their school districts.

The National Dropout Prevention Center/Network is looking forward to this outstanding professional development activity. This year's theme, *Powering the Students' Education Agenda*, will challenge conference participants to look for new and effective methods to motivate students in at-risk situations to successfully graduate from high school and be college and career ready.

An integral part of past National Dropout Prevention Network conferences has been the Exhibit Hall where conference participants can learn about successful educational programs and review resources for potential use in their class-room and community. The Exhibit Hall at the Detroit Marriott Hotel will be located adjacent to the Renaissance Ballroom and the breakout rooms so all Exhibitors will be in constant contact with conference attendees.

Exhibitor registrations for this conference will be completed online at our Web site at www.dropoutprevention.org. This will allow you to select your booth size, list your booth location preferences, and pay by credit card. Although the application deadline is August 19, 2016, booth selection will be assigned on a first-come, first-served basis.

The planning team for the 2016 Annual National Dropout Prevention Network Conference is excited about the program for Detroit. We encourage and invite you to be part of this outstanding conference. If you have any questions regarding the Exhibit Hall, please call John Peters at 864-656-0253 or email him at pj@clermson.edu.

Sincerely,

Dr. Sandy Addis
Interim Executive Director
