

The *15 Effective Strategies for Dropout Prevention* online courses

# Safe Learning Environments

You are now enrolled in **Safe Learning Environments**, one of the *15 Effective Strategies for Dropout Prevention* online courses.

Learning something new involves risk. Students are most invested in learning in environments that are physically, emotionally, and academically safe. Learn how you can create and sustain a safe learning environment in which your students will thrive.

This online professional development course is part of the *15 Effective Strategies for Dropout Prevention* online courses, designed to explore one particular strategy in a self-paced online platform. Other courses are available.

## **How do I get started?**

You will receive an email invitation in the next 24 hours from the sender, DeeperDive Learning providing single-access to the course titled, **Safe Learning Environments**.

Once you accept your email invitation to join the course, you will be prompted to create a unique password for subsequent logins.

Once you accept your email invitation to join a course, go to the “Experience Now” area on the screen and you will immediately become involved in the course.

## **Will this course work on my device?**

Yes. This course can be accessed with any Internet browser, Chrome, Firefox, Internet Explorer, and Safari. You also can access the course from your desktop computer, mobile device, or tablet.

## **How do I receive credit for this course towards the twelve professional learning credits necessary to complete the National Dropout Specialist Certification Program?**

Upon the successful completion of all activities relating to the course, you will receive a certificate of completion. To receive credit towards the NDPC Specialist Certification Program, please download your certificate and email it to Jennie Cole at [jecole@clemson.edu](mailto:jecole@clemson.edu)

If you have further questions pertaining to the course, please contact NDPC by email at [ndpc@clemson.edu](mailto:ndpc@clemson.edu) or by calling 864-656-2599.
