

The *15 Effective Strategies for Dropout Prevention* online courses

School-Community Collaboration

You are now enrolled in **School-Community Collaboration**, one of the *15 Effective Strategies for Dropout Prevention* online courses.

The school-community alliance can make a powerful impact on a graduation rate and the livelihood of the community as a whole. Find out how these alliances can be grown and the impact the resulting increased rates have made in other communities.

This online professional development course is part of the *15 Effective Strategies for Dropout Prevention* online courses, designed to explore one particular strategy in a self-paced online platform. Other courses are available.

How do I get started?

You will receive an email invitation in the next 24 hours from the sender, DeeperDive Learning, providing single-access to the course titled, **School-Community Collaboration**.

Once you accept your email invitation to join the course, you will be prompted to create a unique password for subsequent logins.

Once you accept your email invitation to join a course, go to the “Experience Now” area on the screen and you will immediately become involved in the course.

Will this course work on my device?

Yes. This course can be accessed with any Internet browser, Chrome, Firefox, Internet Explorer, and Safari. You also can access the course from your desktop computer, mobile device, or tablet.

How do I receive credit for this course towards the twelve professional learning credits necessary to complete the National Dropout Specialist Certification Program?

Upon the successful completion of all activities relating to the course, you will receive a certificate of completion. To receive credit towards the NDPC Specialist Certification Program, please download your certificate and email it to Jennie Cole at jecole@clermson.edu

If you have further questions pertaining to the course, please contact NDPC by email at ndpc@clermson.edu or by calling 864-656-2599.
