

## **Innovation and Transformational Leadership Network**

---

AASA is partnering with Dr. Bill Daggett and the Successful Practices Network (SPN) to facilitate a year-long network of select superintendents and their leadership teams to include:

- Lead instructional administrator **recommended**
- Board Member **recommended**
- Building Principal **recommended**
- Teacher Leader **recommended**

These leaders will work throughout the year in an Innovation Network to study best practices and apply principles of innovation to their district-wide planning and work. As members of the network, participants will benefit from direct support of AASA, SPN and their other network members.

### **Blended Support**

The work of the network will be supported by both face-to-face and virtual resources including meetings, professional learning and collaboration opportunities.
