1st Annual **National Trauma-Skilled Schools** Conference

"Positioned For Change"

June 23-26, 2019	KISSIMMEE, FL
	Embassy Suites Orlando - Lake Buena Vista South

Trauma and stress impact the way individuals learn and behave, presenting a significant issue for educators and learners. Awareness of the issue is not sufficient; educators must become trauma-skilled to help students excel in the classroom and in life.

The Event :

All presentations at the 1st Annual National Trauma-Skilled Schools Conference will be delivered by the National Dropout Prevention Center Trauma-Skilled Faculty. The general sessions and breakouts will provide an in-depth, cohesive approach to preventing and addressing the effects of trauma and stress in students. Attendees will leave the conference with knowledge of the Trauma-Skilled approach and skills to implement upon return. Participants can also use the experience toward Trauma-Skilled Specialist Certification.
